# 2016 Voting Ballot for GBAA Executive Committee

**Candidate's Information:**

John Chandler - Candidate for Vice President

I have been shooting bows for over 25 years, hunting, tournaments, & backyard/club fun. I have always promoted archery as a sport. The last 10 years I have shot completeive archery 3D, Indoor NFAA & USAA, and Outdoor FITA events. I became a Basic archery instructor 2008. Then moved up to Level 2 in 2009, in 2010 became USAA level III NTS. I became a Level 4 2015. I have started JOAD programs, coached 4-H archery, Worked with NASP programs. I have given Instructor Level 1 & 2 certifications to over 30 coaches. I have completed the requirements to become a USA Archery Certified Judge. I run a YouTube channel and website GeorgiaArchery.com, This is where I list the most all of the shoots around GA and shooters from GA also tips, ticks and reviews. I do all of these things to grow the sport I love so much. I just want to grow the sport in the state. Anyway I can help do that I will be willing to do whatever that takes. I always promote the sport of archery and carry myself in a professional manner. I would love the chance to promote you in all aspects of my archery life.

Renee Grant – Candidate for Vice President

Archery is a relatively new sport for me and my family. We have been enjoying the sport just over four years. We have been blessed to compete in many different disciplines, venues, and governing organizations. Travers and I decided to get our coaching certificates so we could help carry the sport to new archers. Peach State Archers is a small team that not only competes but does outreach events for local churches, homeschool groups and scouts. Because the desire to reach out to young people and share the sport is our mission, I obtained our 501c3 designation to make Peach State Archers a charitable organization.

In my business, I administer a \$250k budget, supervise a staff and volunteers, plan semi-annual meetings hosting 56 churches, do mediation within churches, and train church leadership.

I look forward to working with other clubs in Georgia to build excitement for our sport and all the opportunities that GBAA brings for competitions and fellowship. and know I can contribute to the growth within our state. Nothing pleases me more than to instill the "archery bug" in someone new or to assist someone in furthering their archery skills.
